

We are 5

Peak Active Sport are celebrating 5 years in business! Stephen Brackenridge and Mark Jennings started in January 2006 to offer children of all ages and abilities an opportunity to enjoy sporting activities in a fun, safe and friendly learning atmosphere. Their vision has definitely been realised and the company goes from strength to strength. They have established great links with many schools, organisations and councils offering their services.

“Working with young people for a brighter future”

PAS has recently moved to new premises at Hadfield's Graphite Way Industrial Park and have a team of high quality coaches, many with professional sporting backgrounds.
