

A whole new learning experience with games, activities, free play and much more.....

Join in the fun and experience a journey through an array of different stimulating activities.

Discover ways to move, travel, co-ordinate, and recognise colours, numbers, plus improve skills in balance, agility, co-ordination and spatial awareness.

Join in the fun on a weekly basis and enjoy our exciting learning experience for 2, 3 and 4 year olds...

During our weekly sessions, our coaches will interact with every child, helping to improve basic fundamentals skills and develop general sporting movements.
